

Transfer to Secondary School – September 2025

Places at all Enfield Secondary schools have been allocated in accordance with the published admissions criteria which can be found in the brochure 'Your Guide to Secondary Schools in Enfield'.

Accepting your offer

If you applied online, you should accept your place by logging onto your **eAdmissions** account. You need to do this by **17 March 2025**. We advise that you accept the place offered even if you wish to pursue higher preference schools, either through the waiting list or through the appeal process.

Waiting lists

All oversubscribed Enfield schools have waiting lists. Your child's name has automatically been included on the waiting list for any Enfield school/s that were a higher preference than the one you have been offered. The arrangements for The Latymer School are different, information will be sent directly to applicants by the school after 20 March 2025.

To find out your child's waiting list position for: Ark John Keats Academy, Edmonton County School, Highlands School, Kingsmead School, Southgate School, Winchmore School and Wren Academy Enfield you will need to email the admissions team at esas@enfield.gov.uk

Applying for additional schools

If you wish to apply for a different school or request admission to a school that was a lower preference than the one you have been offered, you will need to complete an ST2 form. This form must be used to apply for any Enfield schools or any schools outside the Borough. Complete the ST2 form and either scan and email to esas@enfield.gov.uk or post to - Enfield Schools Admission Service, Civic Centre, Silver Street, Enfield, EN1 3XA by **17 March 2025**. No places will be offered from the waiting lists until after the **20 March 2025** at the earliest.

Appeals

If it has not been possible to offer your child a place at a school of your preference you have the right to appeal against this decision. Appeals are considered by independent appeal panels. No places are reserved for successful appellants, so appeals that are allowed will increase the number of students above the admission limit. Decisions reached by an independent appeal panel are binding on the relevant admission authority, schools and parents.

Appeals for community schools are arranged by the School Appeals Service. Academies, voluntary aided, foundation and free schools are responsible for their own appeal procedures. Information about how to make an appeal for each school, the date by when they need to be submitted and planned appeal dates are given on the next pages.
