

Resources for home learning – projects and ideas

Laudato Si'

Week beginning 4th May

In 2015, Pope Francis wrote a letter called Laudato Si'. It was addressed to everyone on the planet, asking everyone to protect our common home... the Earth.

To celebrate the 5 year anniversary of this letter, there will be a special week at the end of May.

Why not try out some of the projects below over the next week?

Life to the full - John 10:10:

In this week's Gospel reading, Jesus tells us that he has come so that we may have life in all its fullness.

Find out how CAFOD is helping people live life to the full around the world.

Learn about <u>Fabiano in Uganda</u>, and <u>Veronica in Kenya</u>.

Art project:

This week, why not think deeply about Our Common Home and get creative with a recycled art project?

You could reuse plastic or cardboard from around the house and create something celebrating God's wonderful world.

If you want to share your work, find CAFOD on <u>Facebook</u> and <u>Twitter</u>.

Creative writing:

When you have reflected on Laudato Si', why not write a poem, prayer or reflection?

Research project:

When you have watched the films about Fabiano and Veronica, why not find out more about solar power and other types of renewable energy.

You could also research Kenya and/or Uganda.

You could use the internet to research or any books you have available.

Why not design a poster with what you find out?

Find more resources at cafod.org.uk/primary

Learning about the SDGs? Think about numbers 4, 7 & 9.
