

St. Mary's Catholic Primary

Mission Statement

St. Mary's school community follows the teachings of Jesus Christ, working together to develop the whole child, in a spiritual, moral, academic, physical, social and emotional way, within a caring and supportive environment.

St. Mary's Primary is a Catholic school which seeks to live out the values of Jesus Christ. We promote these values by our words and deeds, and Catholic doctrine and practice therefore permeates every aspect of the school's activity. We provide a Catholic curriculum, which is broad and balanced, recognising that every pupil is unique and is created in the image of God (Gen. 1:27). Our curriculum is designed to enable every pupil to discern their vocation and to be well-equipped to follow it as active citizens in service to the world. Catholic Religious Education is the "core of the core curriculum" (Pope John Paul II – address of His Holiness John Paul II to the bishops of Great Britain on their Ad Limina visit, 26th March 1992) and the foundation of the entire educational process. We also provide a range of extra-curricular activities and strong pastoral support. We incorporate democratic principles, value the rule of law, support individual liberty and foster a community in which different faiths and beliefs are respected.

Ethos

We recognise that there is a challenge in creating an enriching environment for all those involved at every level of school life. We take our lead and inspiration from Christ with regard to the Gospel values: the belief that all human beings are uniquely created and loved by God and worthy of respect. This challenge manifests itself in the way that we treat and value:

- Our relationships with each other and the wider community;
- Our respect for one another;
- Our welcome to and interest in all those who visit our school;
- Discipline inspired by forgiveness, healing and reconciliation;
- Our school environment.

Through rising to this challenge we aim to create an awareness of a sense of belonging to and being part of the life of St Mary's.

The Aims of our School

We will endeavour to create a Catholic Ethos in our school, which reflects the Gospel values, through the love, care and respect we show to each other, and to all who come to our school. We will teach the beliefs, traditions and practices of the Catholic Faith.

Through the prayer and worship in school we will try to be a living community of people celebrating their love for God and one another.

We believe the quality of the curriculum, with Religious Education at its core, is of prime importance and will focus on the development of the whole child. We will at all times try to make provision for children with special needs, so that all members of our school community achieve their potential.

We will help the children to develop an awareness of and respect for other religious and cultural backgrounds, as we believe this to be an essential preparation for adult life.

We believe that good communication between governors, staff, parents and children is important for the well-being of our school, and we will work in partnership with the wider community especially the home and parish in developing each child's potential.
