11th May 2020

Dear Parents,

Re. Announcement by the Prime Minister re. Opening of Schools
(Sunday 10th May 7pm)

I hope you and your children are safe and well and that your weekend went well.

I am sure, many of you, like me, will have watched the Prime Minister's address to the nation last night.

You will have heard the Prime Minister indicating that the government believes it may be in a position to implement a phased re-opening of schools from 1st June, starting with pupils in Reception, Year 1 and Year 6.

I know this announcement will have caused anxiety and worry for some of you at home and will have raised many questions.

We, like other school communities, are currently waiting to receive a bit more information from the government about what this might mean for our school (and schools in general).

The first priority for us is to remember that this virus continues to be dangerous and the safety of children, parents (and older family members) and school staff continues to be of the greatest importance. Please continue to stay safe and practise social distancing as much as you can.

In the short-term nothing has changed and the school remains closed. We will continue to keep in touch with you and to provide home learning materials.

We continue to keep you and your children in our prayers each day at school.

Please stay safe.

With best wishes

Miss M Creed
